RE: ThreadLocker, Medium Strength Removable #8702

This will acknowledge your submission dated 2011/01/20, concerning the above product for which you have requested acceptance for use in Federally Registered Food Establishments.

The information provided has been reviewed and based on the information presently available, we would have no objection to the composition and intended use of this product in food plants provided that:

- A) there will be no contamination of food as a result of its use;
- B) the amount of the product is not in excess of that required to achieve its intended technical effect.
