

## One Company... Many Solutions

Founded in 1955, MG Chemicals is a manufacturer and wholesaler of chemical products for the electronics industry. The core of our company is our extensive line of high-quality products developed through leading-edge science, innovation, and process engineering.

Our state-of-the-art research and innovation facilities, extended production capabilities, highly skilled technical team, and global network of distributors allow us to provide solutions wherever and whenever our customers need them.

### Why MG Chemicals?

- Wide range of products
- ISO 9001:2015 Quality Management System
- Global distribution
- Sophisticated technical support
- Superior Customer Service
- State-of-the-art research and innovation facilities
- Detailed product specifications and technical data sheets
- Strong regulatory compliance
- GHS labeling and SDSs

### Industries We Serve

- Industrial & Consumer Electronics
- Automotive
- E-mobility
- Defense
- Aviation
- Telecommunications
- Life Sciences
- Power and Energy Electronics
- Marine applications
- LEDs and displays

## Adhesives

- 1-Part Epoxy Adhesives
- Electrically Conductive Adhesives
- Thermally Conductive Adhesives
- General Bonding Adhesives
- Fast Setting Epoxies
- Silicone Adhesives
- Specialized Adhesives
- Dispensing Accessories

## Electronics Prototyping

- Copper Clad Boards
- Copper Etchants
- Electroless Plating
- Photofabrication Supplies
- UV Presensitized Copper Clad Boards

## Circuit Board Repair

- Freeze Sprays
- Conductive Pens
- Overcoat Pens

## Conductive Paints

- Conductive Acrylic Paints
- Conductive Epoxy Paints
- Conductive Water Based Paints
- Board Level Shielding
- ESD-Safe Coatings
- Conductive Spray Paints
- Conductive Paint Thinners

## Conformal Coatings

- Acrylic Conformal Coatings
- Epoxy Conformal Coatings
- Polyurethane Conformal Coatings
- Silicone Conformal Coatings
- UV Conformal Coatings
- Insulation Coatings
- 3M Electronics Coatings
- Conformal Coating Strippers
- Conformal Coating Thinners

## Potting Compounds

- Epoxy Potting Compounds
- Silicone Potting Compounds
- Urethane Potting Compounds
- Dispensing Tools and Accessories

## 3D Printing Materials

- 3D Printer Bed Tapes
- 3D Printer Filaments
- 3D Printing Chemicals

## Soldering Supplies

- Desoldering Braids
- Flux Pens
- Flux Removers
- Solder Mask
- Solder Pastes
- Solder Wire
- Soldering Fluxes
- Tip Tinner

## Electronics Cleaning Products

- Air Dusters
- Alcohol Wipes
- Cleaning Brushes
- Cleaning Swabs
- Contact Cleaners
- Dry Wipes
- Electronics Cleaners
- Isopropyl Alcohol
- Specialized Cleaners

## Greases For Electronics

- Dielectric Greases
- Electrically Conductive Greases
- Lubricating Greases
- Thermal Pastes

## 3M Engineered Fluids

- 3M Fluorinert Fluid
- 3M Novec Fluid

## RTV Silicone Adhesives

- 1-Part Flowable Heat Cure
- 1-Part Flowable R.T. Cure
- 1-Part Paste Heat Cure
- 1-Part Paste R.T. Cure
- 2-Part Flowable Heat Cure
- 2-Part Flowable R.T. Cure
- 2-Part Paste R.T. Cure
